NEWSLETTER END OF TERM 2020/2021

It is heart-warming to witness yet another successful term. The term began amidst all the uncertainties generated by COVID -19 pandemic, further aggravated by "EndSARS" protest. As a community, we had faith and remained steadfast and to God be the glory we pulled through the term. Happily, the Management and staff you entrusted with the care of your wards worked round the clock to ensure a safe environment for learning and social interaction adhering to all safety rules and Covid-19 protocols the term was challenging but at the same time a rewarding experience because it enable us rejig our thinking and orientations.

In line with our Vision and Mission stated above, management and staff are working relentlessly towards realizing the dream. Thank for choosing Creative Brains Academy(CBA). We remain committed to excellent standards on educational best practices at all times We assure you of our best to ensure holistic development of your ward(s) is not only achieved but sustained. We are proud of our self-motivated and trained staff. We continually ensure training and re-training either through in-house or conferences with the view to providing them with the necessary to tools to sharpen their skills.

Important Notes:

IMPROVEMENT IN OUR ACADEMIC ACTIVITIES

There has been an overall improvement in our academic activities. We are thankful to some parents who have attested and applauded the efforts both in public, in school and in private. We cherished your positive feedbacks on the exposure the children had during the extracurricular activities such as the Spelling Bee competition and the debate session titled 'Books are a Better Form of Entertainment than Television" and their experience on our Literacy Day. The recordings are still in demand.

EXTERNAL EXAMINATIONS

It is highly gratifying to place on record that one of the most remarkable feats for the term is the approval of the school as a recognized WAEC/NECO centre. Creative Brains Academy was given full accreditation to enrol students for SSCE Examinations (WAEC/NECO) and BECE. To this end, we are delighted over the just concluded Junior Certificate Examinations conducted right here in the school multi-purpose hall. It is indeed a remarkable achievement worthy of note.

Watch out for the following:

INTERNAL AND EXTERNAL COMPETITIVE EVENTS NEXT ACADEMIC YEAR

Internal and external competitive events have been planned for next season commencing September 2021 with the view to exposing yours wards thereby boosting academic excellence, foster interpersonal relationships among the children and also building confidence. We enjoin you to support this drive by allowing their participation if selected

ENTREPRENEURIAL PROGRAMMES/ ADVANCED LEARNING

The entrepreneurship program which has been put on hold for a while has been repackaged to incorporate additional features such as water processing, model farm (poultry/rabbitry), baking amongst others. This will help our students/pupils to gain life-long skills in addition to their academic pursuit. In view of this, the Cambridge system of education and IJMB programme that offers students opportunity to gain admission into higher institutions is in progress. Parents who wish to take advantage of this programme can contact the school administrator for further directives as admission for the new session into various levels and classes is on-going and forms are available to that effect.

SUMMER SCHOOL PROGRAMME

We wish to announce that the summer lesson for this academic session has been lined up for August 16th to 27th, 2021 at the school premises for a period of two weeks. Lessons will commence at 8a.m daily. Parents should seize the opportunity to engage their children more productively. The program helps to upscale children's' academic knowledge, interpersonal skills, team and group dynamics.

CLUB ACTIVITIES COMMENCING FULLY

Club activities will also commence fully by next term as we explore an array of activities in the clubs, stimulating the genius within the children to bring about projects, innovations, and ingenuity at its peak. Please prepare towards supporting your wards with materials they might need to achieve their goals in the various clubs- JETS (Junior Engineers, Technicians and Scientists), Press club, Young farmers Club and others.

FELLOWSHIP FOR BOTH RELIGIONS

As you are all aware CBA is culturally sensitive. To this end, we will continue to allow fellowship of all faiths; Christians and Muslims etc. This to further strengthen morals, tolerance and peaceful coexistence.

SPORT ACTIVITIES

This will also commence in earnest. As the saying goes, all work and no play makes Jack a dull boy. To keep our students mentally alert, they must exercise to stay fit and healthy. All those who have not purchased their sports wears should do so at once and get ready for sporting activities.

SCHOOL BUS SHUTTLE SERVICE

We thank all our parents who have hitherto kept faith with us in the use of our school bus shuttle service. However, we want to appeal to this category of parents to endeavour to make full payment (which will be reviewed in line with our current realises) on or before resumption date to enable us make adequate preparation for effective and efficient take off of the services. Students whose parents fail to pay within the stipulated time will not be picked up at resumption. We equally want to plead with parents to stick to pick up schedules of their wards to avoid disruption of the process.

RESUMPTION/SCHOOL FEES

We appreciate parents who pay their children's fees promptly and we implore others to emulate same. We also urge parents with outstanding payments to please pay up. Please note that the school policy on NO TABLE PAYMENT remains unchanged. In view of this, all payments should be made directly to the school's bank account. The due date for payment of school fees for first term 2021/2022 Academic Session is on or before the resumption date slated for September, 2021. Fee drive will take effect from the same date. We are thankful to parents who have made payments already and we appeal to parents who are yet to pay to please do so.

APPRECIATION

Thank you all for partnering with us to help develop your children. Have a wonderful time during the two weeks break after which we will welcome you back to school for the summer lessons.
